Boutique residential complex with
panoramic bay views

Live in the heart of Ensenada

Internationally recognized for its **gastronomy**.

Its **sea** offers a variety of fish and seasonal seafood.

Its **Valle de Guadalupe** - the only one in Mexico with a Mediterranean climate - is perfect for growing vegetables, olive trees and wine grapes.

Its **climate** and **landscapes** create the ideal life all year round.

Spaces

to live and enjoy

enCielo: The best view of the stars and the sea is for everyone!

Located on the rooftop of Tower A, this space has been designed to witness sunsets inside a jacuzzi, sunbathe on a lounge chair, or support your life celebrations with a grill bar, furniture, and restrooms for your comfort and that of your guests.

enReunión: Whether social or work-related, the flexible design of this space, located on the 1st floor of Tower B, will meet your needs for a boardroom to present your services to clients, co-working spaces with colleagues, or to watch the final match of your favorite team with your friends.

enEstar: When relaxation is important, this space between the two towers it's ideal. Its private rooms with fire pits create the perfect setting for sharing conversations and laughter with your closest loved ones or with yourself through reading and a glass of wine.

Investment opportunity

Can I rent out my unit? Yes. You can choose long-term or short-term rental. To maintain harmony, we will request that the number of guests be restricted for tenants who have a contract of less than 12 months.

When is it the best time to invest? Now, because we offer financing for the down payment and exclusive discounts for first-time buyers.

Is this project in compliance with regulations? Yes. enAlto has all the required permits under license No. 15971 issued by the Directorate of Urban Administration, Ecology and Environment.

Has construction already started? Yes. Handover is scheduled for December 2027.

What's the price? Pre-sale prices start at \$325,000 dollars, with special promotions that we can happily share with you.

Don't lose your bay view
